About The Arc of York and Adams Counties

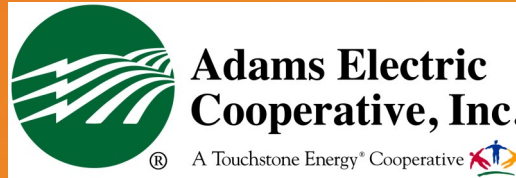

The Arc of York and Adams Counties is dedicated to improving the lives of people with intellectual and other disabilities and their families. It is devoted to promoting and improving supports and services for people with intellectual disabilities and fosters research and education regarding the prevention of intellectual disabilities in infants and young children.

About The Links at Gettysburg

The golf at the Links At Gettysburg is truly spectacular, with water on almost every hole, elevated tee shots to greens fronting red rock cliffs; blind doglegs and undulating greens making the putting difficult even after you've managed to escape the hazards. Striving to shoot par at The Links is a supreme challenge and a rewarding experience every golfer should have.
